## A WIN FOR EVERYONE

SINCE OUR STUDENTS STARTED HELPING PREPARE THE FOOD THEY'VE THROWN OUT A LOT LESS OF IT!

AFTER LEARNING ABOUT THEIR FOOD SYSTEM MY STUDENTS ASKED IF WE CAN START A COMPOSTING PROGRAM

WHEN OUR FOOD SERVICE STAFF STARTED USING MORE FRESH FOOD IT REALLY CUT DOWN ON OUR SCHOOL'S PACKAGING WASTE

ENVIRONMENT

PUBLIC HEALTH

WE STARTED BUYING EGGS FROM THE FARM DOWN THE STREET

WE'RE REALLY TRYING TO BUY MORE FOOD FROM A DIVERSE GROUP OF LOCAL FOOD PROVIDERS
