About the grants

Farm to Cafeteria Canada, in partnership with the [Whole Kids Foundation](#), is pleased to share details of the third round of Farm to School Canada Grants.

Valued at up to \$10,000 each and provided over the course of 2 years, the Farm to School Canada Grants are delivered directly to schools and designed to bring more of the local harvest into schools where it is featured in a [Salad Bar](#) meal service using the [Farm to School Approach](#).

The goal? To see more students and school communities engaged in growing, purchasing, harvesting, cooking, serving, learning about, and eating healthy, local and sustainable foods at school.
