Success

what people think  
it looks like

Success

what it really  
looks like

# What they're saying:

I want more!

I don't like Cole slaw usually, but I liked this one.

I loved them because they remind me of my garden carrots.

I loved the white carrots (*parsnips*).

Delicious, we should have it more often.

Don't get red apples a lot, it was a treat!

I wanted more.

Very fresh!

Left a tingle on my tongue. (Shrek's Swamp Smoothie)

More please!

It was so good I asked my mom to make it. (Blueberry Bunny Smoothie)

I absolutely loved it. You could really taste the blueberries.

Told my mom she should make it sometime. (Super Salad)
