Webinar Host

- Micheline Turnau, Project Manager, Nourishing School Communities

Farm to School Programs...

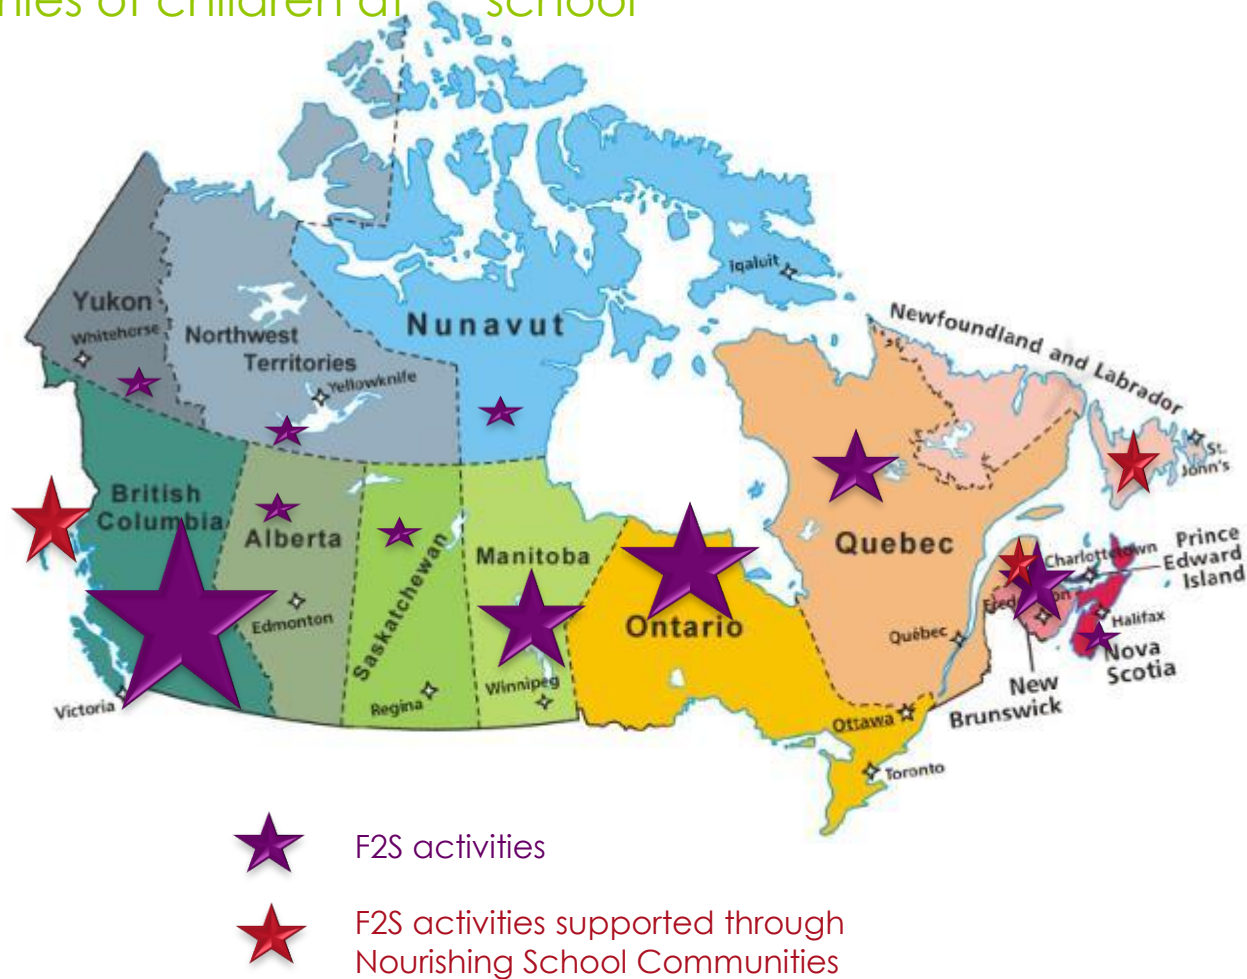

...bring healthy local food into schools, and provide students with hands-on learning opportunities that foster food literacy, all while strengthening the local food system and enhancing school and community connectedness.

Farm to School Many Innovative Successful Models

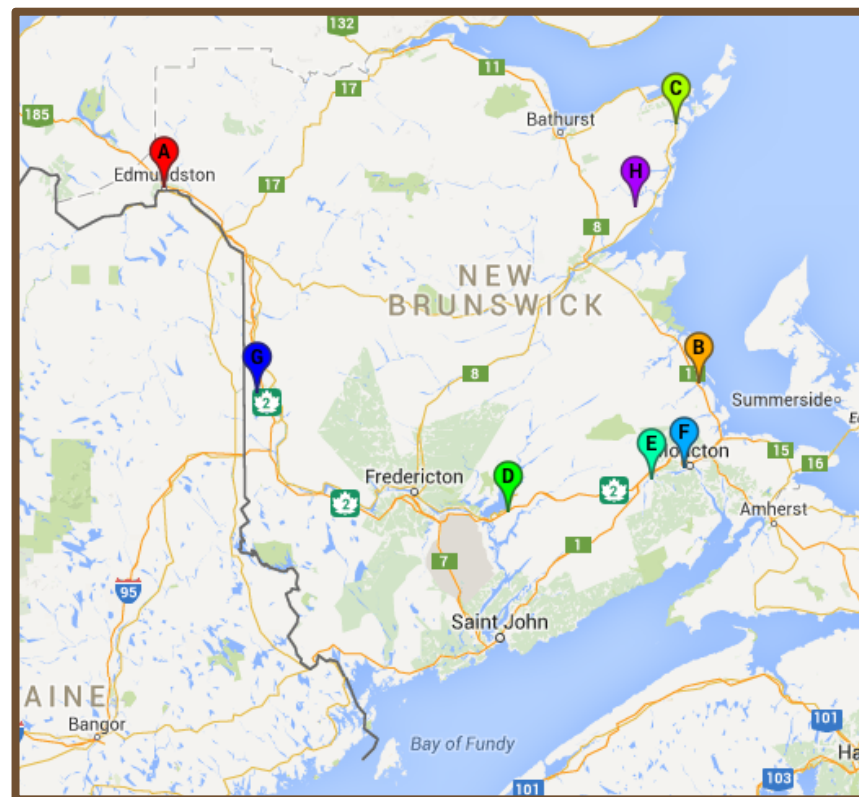

More than 2000 Canadian schools report they are engaged in activity to get more healthy local foods in the minds, onto the plates, and into the tummies of children at school

Get your Farm to School program on the national Map www.farmtocafeteriacanada.ca

Eight Pilot Farm to School Programs in NB:
